

Acknowledgments

Thanks are due to the many government agencies, institutions, organizations, and individual citizens whose contributions made the development of the **Nevada's 2003 Statewide Comprehensive Outdoor Recreation Plan—Assessment and Policy Plan** possible. The following major contributors are recognized.

CITIZENS OF NEVADA

A special thanks to the 681 citizens across Nevada who responded to the mail survey titled *Nevadans Outdoors—A Survey on Outdoor Recreation in Nevada* conducted by the Nevada Division of State Parks in early 2001.

ISSUES & ACTIONS PANEL MEMBERS

A special thanks goes to persons who served on the Issues and Actions Panel. The panel was comprised of 132 members initially. The process, initiated on July 16, 2001, lasted approximately 15 months. At the conclusion of the process, 130 persons were still participating.
